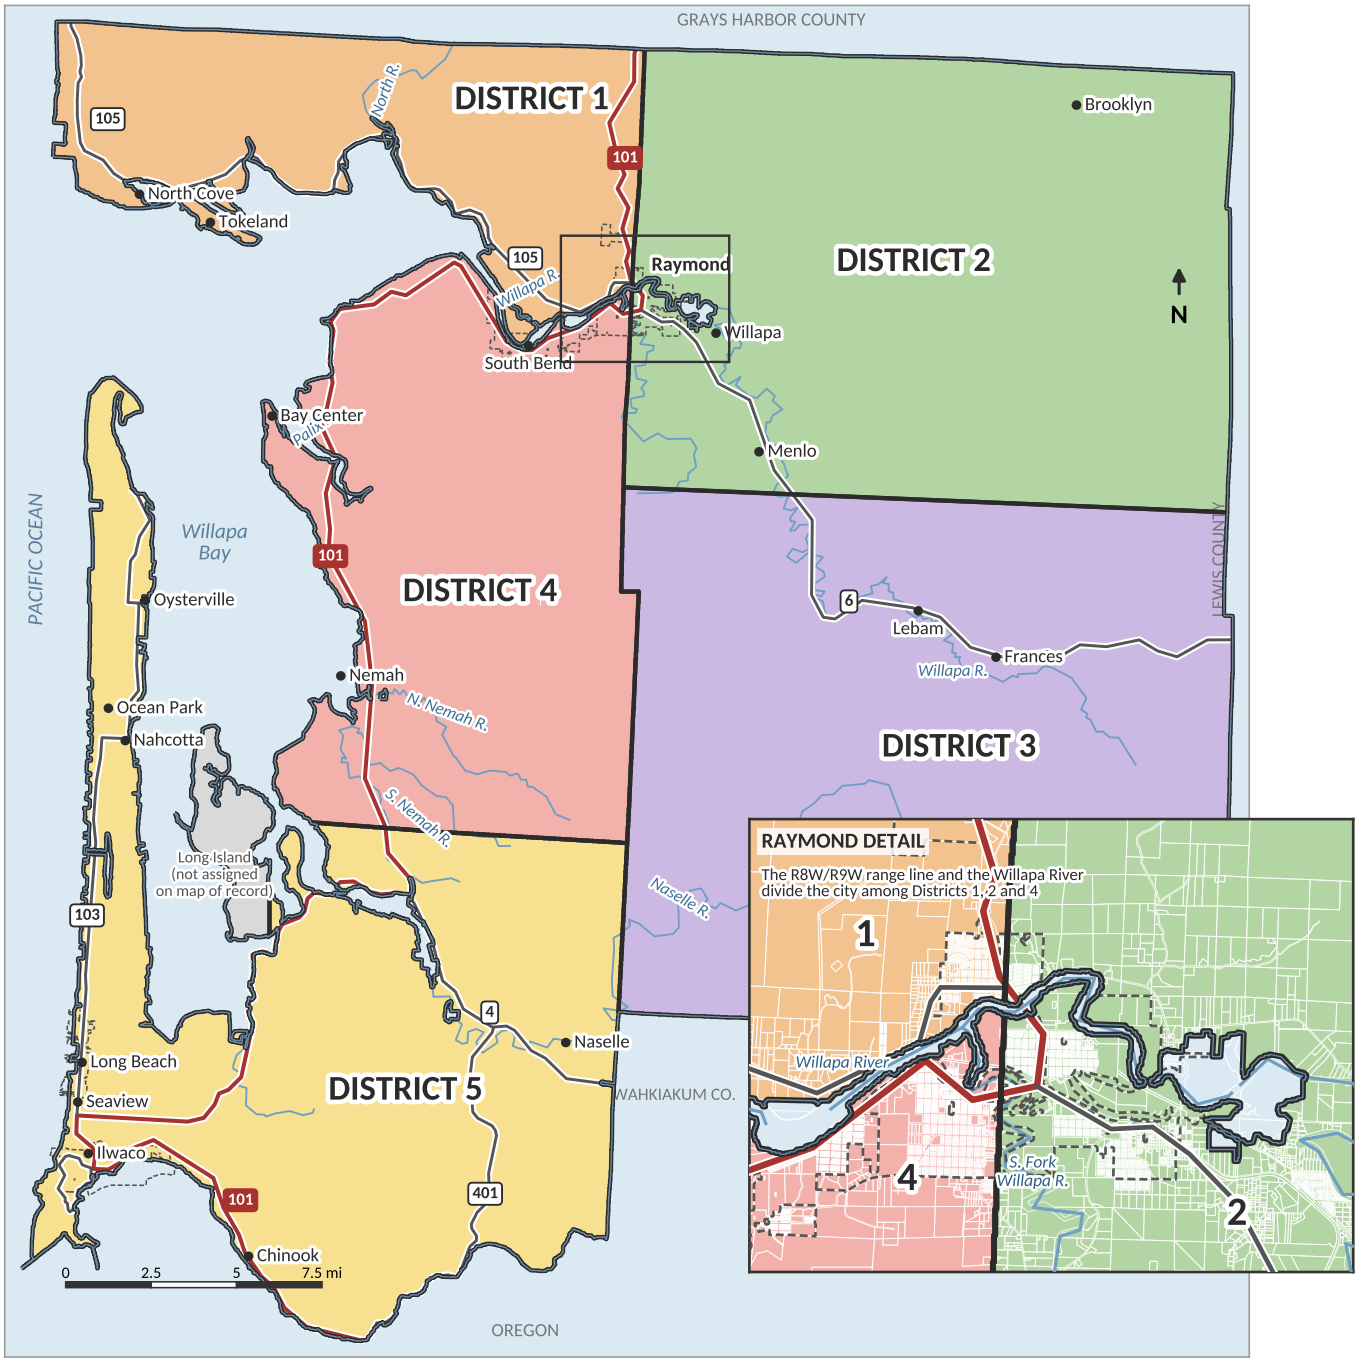
PACIFIC COUNTY NOXIOUS WEED CONTROL BOARD

Weed District Boundaries — CURRENT (map of record, redrawn for legibility)

In effect for the 2027 appointments to Districts 3 and 5. Lines are redrawn from the undated district map on file; see note on accuracy below.



District boundary
U.S. highway
State route
River
City limits
Community

District 1
Land north of the Willapa River and Willapa Bay and west of the R8W/R9W range line. North Cove, Tokeland, the lower North River and the north bank of the Willapa, including part of Raymond.

District 2
Land east of the R8W/R9W range line and north of the south line of Sections 13–18, T13N (approximate; about halfway between Menlo and Lebam). Part of Raymond, Willapa, Menlo and Brooklyn.

District 3
Land east of the R8W/R9W range line and south of District 2, to the Lewis and Wahkiakum county lines. Lebam, Frances and the upper Naselle River.

District 4
Land west of the R8W/R9W range line, south of the Willapa River and Willapa Bay, and north of the south line of Sections 1–6, T11N (approximate). South Bend, part of Raymond, Bay Center, the Palix and Nemah rivers.

District 5
The Long Beach Peninsula and all land south of District 4 and west of the R8W/R9W range line. Seaview, Long Beach, Ocean Park, Nahcotta, Oysterville, Ilwaco, Chinook and Naselle.

Accuracy: the map of record is a low-resolution image (about 250 ft per pixel) with no written legal description. Lines are redrawn here from that image onto the county parcel and survey grid. Where a line runs through a town, residency near the line should be confirmed with the Board office. Long Island is not assigned on the map of record.
